National Integrity Title Agency Named to the Philadelphia Business Journal 2021 Soaring 76 for a 4th Year

October 9, 2023 – Marlton, NJ – National Integrity Title Agency (NITA), a full-service title insurance and settlement agency for commercial and residential real estate, celebrates its fourth straight year as one of the Philadelphia Business Journal’s “Soaring 76” – the publication’s annual ranking of fastest growing public and privately held companies in the region. The Marlton-based agency nearly mirrored its 2-year sustained financial growth rate from the last ranking, this year recording a growth rate of 29.5% over the three-year period from 2020-2022. At the root is NITA’s strong team and their continued ability to adapt as markets shift, expand into new targets and seek innovative ways to satisfy the needs of clients with advanced technology.

In a joint statement co-owners George E. Duffield, Sr. and Fran Turchi said, “Four years but this never gets old. It is a true honor to be among such a list of outstanding companies. We would not be here though without our loyal clients, colleagues and most of all our team. Each and every day we see our team going above and beyond for our customers. Their hard-working commitment is the foundation of NITA.” As in previous years, the partners went on to acknowledge the other 75 businesses across the region, congratulating each of them.
